Generator(s) for Union County High School

RFQ Specifications & Instructions

Potential Bidders: Please read this packet completely before submitting a proposal. Incomplete packets may result in automatic rejection.

INSTRUCTIONS TO BIDDERS

INTRODUCTION

The county is seeking RFQs to design and install Generator(s) located at Union County High School to provide air conditioning sheltering for their general and special needs population during emergency declarations. The generator(s) must provide power for all buildings, including HVAC, serving the shelter clients. The RFQ response should be Turn-Key, including all aspects of the project (see scope of work).

The purpose of the Generator Assistance Grant is to allocate funding to fiscally constrained counties to provide air-conditioned sheltering for their general population and special needs population during emergency declarations.

Funding for this project is contingent on strict conformance by the selected contractor to the guidelines set forth by FDEM. Respondents shall comply with the Federal Regulations Contract Requirements within this RFQ.

Union County was awarded \$1,425,000.00 to complete this project.

The pre-bid meeting on September 4, 2025 (2pm), at 55 SW 6th St, Lake Butler, FL 32054, is mandatory. This meeting will allow all prospective contractors the ability to visit the site(s), ask questions and obtain identical answers. It will also allow you to become familiar with each site location, conditions and to properly size the generator in order to complete the deliverables set forth in the Scope of Work to address all components of the grants and provide a Turn-Key completed project.

BID DEADLINE/DELIVERY

SEALED proposals for the RFQ Generator(s) for the Union County High School will be received by Union County, Florida at 58 NW 1st Street, Lake Butler, Florida 32054 up until 1p EST on September 16, 2025. Each bid shall be valid to Union County for a period of ninety (90) days after the bid opening. ANY BID RECEIVED AFTER THE SPECIFIED TIME WILL NOT BE CONSIDERED.

Proposed use of subcontracts should be included in the bidder's response. Requests for use of subcontractors received subsequent to the solicitation process are subject to review and approval by the County.

The County reserves the right to request and review information in conjunction with its determination regarding a subcontract request. All subcontractors are subject to the same requirements of this solicitation as the successful bidder.
