

UNION COUNTY MITIGATION PUBLIC OPINION SURVEY

MISSION

One of the primary missions of Union County Emergency Management is to coordinate response and recovery efforts in Union County in the wake of catastrophic events. Union EM is also responsible for coordinating mitigation and preparedness activities in the county.

Through planning and education, Union EM helps to prepare Union County citizens, businesses, and government agencies, for threats from hurricanes and tropical storms, other weather emergencies, as well as man-made or technological emergencies, such as hazardous materials spills and wildfires.
