

**REQUEST FOR QUALIFICATIONS  
ADDENDUM #1  
GENERATOR FOR UNION COUNTY HIGH SCHOOL**

This is an addendum to the RFQ bid package provided. All guidelines within that bid package still apply. This addendum is to clarify what is needed for submitted bids. The county is seeking RFQs to design and install Generator(s) located at the Union County High School to provide air-conditioned sheltering for their general and special needs population during emergency declarations. The generator(s) must provide power for all buildings, including HVAC, serving the shelter clients. The approximate budget is \$1,425,000.00.

Method of Selection: Responses will be reviewed by the Union County Bid Selection Committee. The committee will select a company and send the recommendation to the Union County BOCC for approval and acceptance of award.

Please respond by including but not limiting your response to the following:

1. Company name and length of time in business and location.
2. Availability of time to start and complete the project.
3. Insurance carrier and applicable coverage.
4. Name of the proposed Bonding Company with applicable information.
5. Qualifications of staff to be utilized on this project with names, short resumes, length of time with firm and previous generator clients served, preference given to large complex experience.
6. Names of three (3) previous large complex generator clients with phone numbers and contact person.
7. Description of previous experience, to include size, budget, final cost, schedule, change orders, etc.
8. Explain how your past generator installation experience will support completing the process.

Reservations: Union County Board of County Commissioners reserves the right to reject any and all responses, to negotiate changes in the scope of work or services to be provided, and to otherwise waive any technicalities or informalities.
